

Self Retaining Spacers Chamfered Stacking Self-Retaining Spacers

- Spacers are self-retaining and self-aligning
- Spacers stack to provide screw insulation in multi-level applications
- Board-mount head snaps in and maintains spacing even when screw is removed
- Design for use with #4, #6 and #8 screws. (M-3, M-3.5, M-4)
- Standard material molded from: U.L. rated 94V-2 nylon (natural) or flame retardant nylon rated 94V-0 (Off-White)

Non-Chamfered Stacking Self-Retaining Spacer

- Board-mount head snaps in to maintain spacing even when screw is removed.
- Insulates head of screw from board
- Ideal for wood mounting
- Several sizes #4, #6 and #8 screws (M-3, M-3.5, M-4)
- Standard material molded from U.L. Rated 94V-2 nylon (natural) or flame retardant nylon rated 94V-0 (off-white)
